Dear Sirs,

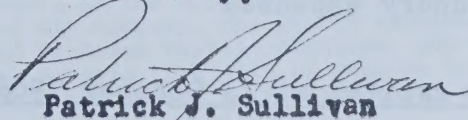

Re: Farwest Mining Limited

It is our intention, if we take over the management of the above-named company, to await and assess the results of the Scurry-Rainbow work on the adjoining ground of Ore Mines Limited in The Pas Area of Manitoba.

It is also proposed to be on the lookout for properties that would warrant the expenditure of exploration funds, and to conduct an active program.

In the above regard we have satisfied ourselves that there is a block of claims in the Mont Laurier Area of Quebec, very well located in a geologic sense, and available to the company on terms deemed to be very reasonable.

Yours truly,

Patrick J. Sullivan
